Carolina Committee Selects Design for Present to North Carolina Battleship.

### PICTURES GREAT EVENTS

Battle of King's Mountain and Other Historic Events Are Engraved on Silver.

RALEIGH, N. C., September 3.—The executive committee to select and present a silver service on the part of the State of North Carolina to the battleship North Carolina, now being built at the Newport News shipyard, awarded the contract tonight to H. Mahler's Sons Co. of Raleigh.

The principal pieces to the limit of the State appropriation now available were selected from the designs submitted by Mahler, and the committee meeting here during the afternoon of October 22, to select additional pieces to the limit of whatever funds in addition to the \$5,000 State appropriation may be raised by that time. The committee is striking for a 110-piece service instead of \$5,000, the amount set aside by the State. The principal pieces selected to-night were punch-bowl and cups, ten set, smoking set, ice-cream set and finger bowls and water-pitcher.

Smaller pieces are to be added when more money is raised.

### Works in Carolina History.

The general design of the set emphasizes features of North Carolina history and North Carolina products, including tobacco, cotton and corn, also designs in shell, rope, seaweed and dolphins. State emblem, the great seal, famous battle scenes, including King's Mountain, are conspicuous.

The four secretaries of the United States Navy from North Carolina are etched on some of the larger pieces. They are J. C. Dobbin, W. A. Graham, George E. Badger and John Burch. On the principal piece, the punch-bowl, the State Capitol and a likeness of Zeb Vance appear. The plans were prepared principally by Fred W. Lashley. Associated with the firm in the contract are Dommeck & Hoff, of New York. Others who presented designs for the consideration of the committee to-night were Jolly & Wynne, Raleigh, representing Read & Barton, New York; Victor E. Zoeller, Wilmington, representing Gorham & Co., New York, and R. C. Bortean, of Greensboro, representing the Whiting Manufacturing Company, of New York. The legislative committee on the subject of the selection consists of Lieutenant-Governor Francis D. Winston, president of the Senate; Hon. E. J. Justice, Speaker of the House of Representatives; State Senator John C. Drewry, of Wake, and C. F. Hankins, of Lexington. Meeting with the committee was Lieutenant-Commander Victor Blue, representing the United States Navy Department.

[Special to The Times-Dispatch.] NORFOLK, VA., September 3.—Lawless characters on the border-line between Norfolk county and Portsmouth, whom county officers seem unable to put down, who have caused the citizens to arm themselves, are again the terror of the community.

M. A. Carr and James Kraft, young white men, are their latest victims. They were murderously assaulted last midnight at the corner of Chestnut and County Streets. Unknown negroes were their assailants. Carr was struck on the head with a blackjack, and for several minutes it was thought that he was dead. The arrival of two other colored men caused the highwaymen to take flight. Brass knuckles were used on Kraft, and his face was terribly lacerated.

## GEORGE LINDSAY GETS TEN YEARS

Jury Convicts Him of Killing Joseph Cabell Coleman, Danville Citizen.

## PLEADS SELF-DEFENSE

Declared on Stand Coleman Started to Draw Pistol—Drops Into Unfortunate Error.

[Special to The Times-Dispatch.] DANVILLE, VA., September 3.—Geo. Lindsay, who on June 24 last shot and killed Joseph Cabell Coleman, a member of the well-known Cabell family of Virginia, was convicted in the Corporation Court here late this afternoon of murder in the second degree and his punishment fixed at ten years in the penitentiary.

The case was begun this morning and finished in a remarkably short space of time. The evidence showed that the killing was done without provocation. Lindsay had gone to the house of Nettie Donnell, a woman of the Tenderslo district, and upon being refused admission had slapped her several times in the face. Coleman, who was in the community, ran up and said: "Don't hit that woman again." A remarkable discrepancy with Lindsay's testimony was that he stated that Coleman used his left arm, which was cut off some years ago. Lindsay is twenty-eight years of age and came here from Lynchburg. He was represented by Attorney Don P. Halsey, of Lynchburg, while associated with Commonwealth's Attorney Thomas Hamlin in the prosecution was Major George T. Risson, of Chatham.

## SEND NEGRO TO GRAND JURY

He Made Murderous Attack on Station Agent Jacobs at Rapidan—Negro Fined.

[Special to The Times-Dispatch.] CULPEPER, VA., September 3.—The preliminary examination of the negroes, Jim Taylor and Frank Toliver, for their murderous assault upon the station agent, James Jacobs, for the Southern Railway, at Rapidan, in the county, took place this afternoon, and resulted in Taylor being sent on to the next grand jury for indictment and Frank Toliver being fined and imprisoned at hard labor. The evidence showed a conspiracy previously formed on the part of a number of negroes to murder the station agent.

Soon after they were put off the train for disorderly conduct they came to the station, where the agent had told them to keep quiet in his office. Taylor and Toliver, who were negroes, went to negro houses nearby and secured shooting weapons, returned to the attack on the agent, who, knowing their intentions, got the drop on them, and firing first, wounded Taylor in the leg as the latter was quickly advancing on him with a drawn revolver. Then in the general mix-up the negro conspirators, except the two here on trial to-day, made their escape to the woods. The officers are still after them.

## DANDRUFF AND ECZEMA CURED

Hair Had Been Falling Out Ten Years—Itching, Scaly Eczema Appeared on Scalp—Countless Remedies Failed—Suffering Ended

## BY HALF A SET OF CUTICURA REMEDIES.

"When sixteen years old I noticed a dryness in my scalp and some hair falling out. The condition grew steadily worse for the next ten years, although I used bottle after bottle of different remedies such as C—S—D—S—S—S, and countless others, but none gave me any relief. About a year ago, after using one of the remedies, I noticed my hair falling out more and my forehead bearing a scaly and running sore which sometimes appeared red and inflamed. In January of this year, when thoroughly disgusted and discouraged, I got a set of Cuticura Soap, Cuticura Ointment, and Cuticura Pills and gave them a fair trial. Within a few weeks the terrible itching had subsided and there was a general improvement in hair and scalp. In two months my scalp was as free and clear of dandruff and eczema as though I were never troubled with it and there are no more hairs falling out. I have also consulted several physicians who gave me no permanent relief.
